

Clerk's Report for 21st October 2023 Parish Council Meeting.

1. Public Issues Received

- i) A member of the Public forwarded a video that was recorded whilst leading her horses from field to stable past Foxglove Nurseries, in West Bank. It was very evident that there was no streetlighting in that vicinity.

A response from the Parish Councillors notes that it is not a public highway therefore there is no responsibility for the Council to provide lighting at that point.

- ii) PCSO Annie Newbould issued the November 2023 newsletter which was distributed to all Councillors.

2. Playpark

A rota and results collation sheet for general monthly playpark inspections by Councillors needs to be completed, which is dependent on how the Council would like to manage this task.

The results of the monthly inspections can be emailed to the clerk, either as an 'all clear', or noting the area/s and equipment which requires attention.

The clerk can then action any requirements and complete the date in a spreadsheet.
